**WAR DEPARTMENT
WASHINGTON, 11/5/43**

This Technical Manual published by Western Electric Company on Order No. 15752 Phila.-43 is furnished for the information and guidance of all concerned.

RESTRICTED

This document contains information affecting the national defense of the United States within the meaning of the Espionage Act, 50 U.S.C., 31 and 32, as amended. Its transmission or the revelation of its contents in any manner to an unauthorized person is prohibited by law.

The information contained in restricted documents will not be communicated to the public nor to the press, but it may be communicated to any person known to be in the service of the United States and to persons of undoubted loyalty and discretion who are cooperating in Government work. (AR 380-5).

[A.G. 300.7 (6 Dec. 1943).]
