

*Doc Moody apparently has a word or two of special – but not printable – comment for the driver involved in this Texas start.*

*Hard-working Kathy Machala*

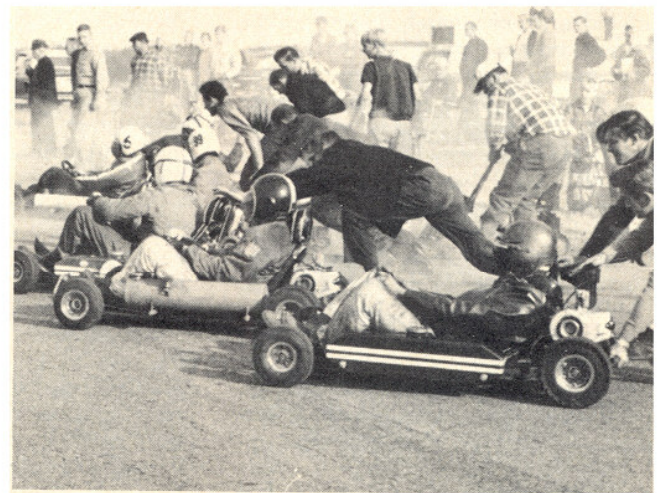

*Shades of yesterday! Two Mc-9's and a D-44 chain saw engine = 16.5 cubes, and Holmes flies down the track.*

*... shows the boys a short way around the track!*

*A Modifieds get under way. Fox (No. 3) jumped into an early lead, but –*

*One Two Three - PUSH!*
